

# Woke Up Dead (William H. Bonney)

## Planet Of Zeus

Listen up.  
Here he comes.  
He's the chosen one.  
He was born long ago under sign.  
Under a bad sign.  
He always crossed the line.  
He was born long ago.  
...Long ago.

Woke up dead in the southland  
Looking for some gold but he's dead instead

Wake up.  
He's the one.  
One hell of a man.  
A loaded gun.  
The devil son.  
He was born to raise hell.  
Lock up your wives.  
Before you pay the price.

Hear my warning  
It's not a lie  
...It's not a lie

Woke up dead in the southland  
Looking for some gold but he's dead instead

And that's how the story ends...  
William H. Bonney was shot, 14th of July 1881  
by Pat Garret

Woke up dead in the southland  
Looking for some gold but he's dead instead
