Never Go Away (DMP Mix)

Imperio

Don't do away from me tonight
I need you
Don't do away just hold me tight
My loveNever go, please never go away
From my life
Never go, please never fade away
From meDon't do away from me tonight
I need you
Don't do away just hold me tight
My loveNever go, please never go away
From my life
Never go, please never fade away
From me
