Bonaparte's Retreat

Craig Duncan

Met the girl I loved in a town way down in Dixie
'Neath the stars above she was the sweetest girl I ever did seeSo I took her in my arms and told her of her many charms
And kissed her while the organ played the Bonaparte's RetreatAll the world was bright as I held her on that night
And I heard her say, "Please don't ever go away"So I held her in my arms and told her of her many charms
And kissed her while the organ played the Bonaparte's RetreatSo I held her in my arms and told her of her many charms
And kissed her while the organ played the Bonaparte's RetreatSo I held her in my arms and told her of her many charms
And kissed her while the organ played the Bonaparte's Retreat
