Cat Power

Everybody come together
Free
Everybody get together
FreeIts okay if you can stand to let her dance
Its okay its your right, come on and take a chance
True romance, when you dance
FreeDont be in love with the autograph
Just be in love when you scream
That song on and on
FreeEverybody come together
Free
Everybody get together
FreeYou can feel her from the palm
That youre holding on your arm
Cool hands from the get-go
Can your feast on the real one?Dont be in love with the autograph
Just be in love when you love
That song on and on
FreeIts okay if you can stand to let him dance
Its okay, its your right, come on and take a chance
True romance, when you dance
FreeEverybody come together
FreeDont fall in love with the autograph
Just fall in love when you sing
Your song on theTake a chance
True romance, when you danceFree
