

Everybody's Sufferin'

Rancid

What a depression
What a depression
What a depression
Upon this land Everywhere you're going
People, they all suffer
Everywhere you're going
People, they all suffer
Everybody's suffering
Everybody's suffering
Everybody's suffering
Upon this land
What a depression
What a depression
Let me go home
Let me go home
Let me go home Everywhere you're going
People, they all suffer
Everywhere you're going
People, they all suffer
Everybody's suffering
Everybody's suffering
Everybody's suffering
Upon this land What a depression
What a depression
Let me go home
Let me go home
Let me go home
Everybody's suffering
Everybody's suffering
Everybody's suffering
Upon this land
