Dancin' In The Moonlight

Johnny Rivers

We're having fun most every night
When that old moon gets big and bright
It's a supernatural delight
Everybody was dancing in the moonlightEverybody here is out of sight
They don't bark and they don't bite
They keep things loose, they keep things light
Everybody was dancing in the moonlightDancing in the moonlight
Everybody's feeling warm and right
It's such a fine and natural sight
Everybody's dancing in the moonlight
Hoo, hooWe like our fun and we never fight
We can't dance and stay outside
It's a supernatural delight
Everybody was dancing in the moonlightDancing in the moonlight
Everybody's feeling warm and right
It's such a fine and natural sight
Everybody's dancing in the moonlight
Hoo, hooDancing in the moonlight
Hoo, hooEverybody here is out of sight
They don't bark and they don't bite
They keep things loose, they keep things light
Everybody was dancing in the moonlightDancing! Dancing!
Dancing in the moonlight
Dancing!
Everybody was dancing in the moonlightDancing in the moonlight
Everybody's feeling alright
Such a fine and natural sight
Everybody dancing in the moonlightDancing in the moonlight
Everybody's feeling warm and right
It's such a fine and natural sight
Everybody's dancing in the moonlightIt's such a fine and natural sight
Everybody was dancing in the moonlight
