

# Lonely Girl

Weezer

My lonely girl  
My lonely girl  
Lonely girl  
My lonely girl So baby come on  
I know how to dance  
Why am I the only one who ever takes a chance?  
So give it a try  
You're not gonna die  
Unless you refuse to live in higher way tonight I'm lonely, so hold me  
Can't you relate? So open your arms  
And let me come in  
I'd never hurt you girl 'cause I would be a sin I'm lonely, so hold me  
Can't you relate? I'm hurtin', I'm worthy  
Can't you relate? I know I'm scared  
I know you're sad  
I needed your help to realize it's not so bad So open you're arms  
And let me come in  
I'd never hurt you girl 'cause I would be a sin My lonely girl
