You Might Need Somebody

Joe Walsh

When somebodyReaches for your heart
Open up and let it through
Cause everybody
Needs someone around
When things are coming down on you
And you discover
When you look around
You don't have to be alone
Just one lover Is all you need to know
When you're feeling all alone
You might need somebody
You might need somebody too
You might need somebody
You might need somebody too
If some fire Is stirring in your heart
And you're sure it's warm and bright
Keep it burning
Through the cold and dark
Cause it can warm a lonely night
You might need somebody
You might need somebody too
You might need somebody
You might need somebody too
You might need somebody
You might need somebody too
You might need somebody
You might need somebody too
