

# You Might Need Somebody

[Joe Walsh](#)

When somebody Reaches for your heart  
Open up and let it through  
Cause everybody  
Needs someone around  
When things are coming down on you  
And you discover  
When you look around  
You don't have to be alone  
Just one lover Is all you need to know  
When you're feeling all alone  
You might need somebody  
You might need somebody too  
You might need somebody  
You might need somebody too  
If some fire Is stirring in your heart  
And you're sure it's warm and bright  
Keep it burning  
Through the cold and dark  
Cause it can warm a lonely night  
You might need somebody  
You might need somebody too  
You might need somebody  
You might need somebody too  
You might need somebody  
You might need somebody too  
You might need somebody  
You might need somebody too
