Did You Wrong

Pleasure P

You know, I want you all to just sit back and think for a second.
You know what i mean?
Now, there's a lot of haters out there hating on peoples relationships and stuff.
Don't nobody wanna see you happy.
They always try to take your joy, bring you down.
But, you gotta be the one to sit by your mate and say "I'ma be with you no matter what"
Yo know what I'm sayin? Fuck it, I did wrong, you did wrong too.
You know what I'm sayin?
But, we gotta put up with each others shit.
And, the easiest thing to do is leave, ya dig?
Anyway, check this out...

I don't want to lose this relationship
So, we gotta stay strong, don't wanna move on
I know you're sick and tired of the fussing, and the fighting, and the cussing
Well, I love you ... and you love me too

I did you wrong, you did me wrong
I take you back, you take me back
I did you wrong girl, you did me wrong girl
I'll take you back, I'll take me back

No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So let's just work it out

I ain't tryna waste your time
And, I ain't tryna waste my time
There ain't no need to waste no time
'Cuz we done put in too much time
I ain't tryna waste your time
I ain't tryna waste my time
Ain't no need to waste no time
'Cuz we done put in too much time

When you're in a relationship
The easiest thing for you to do
Is to leave
You gotta stick it out, and work it out
And stick it out, and work it out
And stick it out
'Cuz at the end of the day...

I did you wrong, you did me wrong
I take you back, you take me back
I did you wrong girl, you did me wrong girl
I'll take you back, I'll take me back

No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So let's just work it out

I love you baby, I need you in my life.
You know what I'm sayin?
I'm sick and tired of the arguing and all that good stuff
I mean, I'm pleading on this track because i really really love you
And, I really want us to work out
You know? I want to marry you baby.
You know? I want you to be in my life for the rest of my life
You know what I'm sayin?
Anyway, I'm just talking a whole lot of jibberjabber
But uhm me without you is like the moon without the sun
And the sun without the moon.
Pleasure P without Pretty Ricky.
You know what I'm sayin?
A blunt with no dro
Exacty with no body
You get what I'm sayin baby?
You dig? Aight.. you dig
Holla at ya boy
I love you

I did you wrong, you did me wrong
I take you back, you take me back
I did you wrong girl, you did me wrong girl

I'll take you back, you'll take me back

No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So lets just work it out
