

We Must Be Loving Right

Barbra Streisand

Some folks got nothin' but troubles
So little joy in their lives
But wherever we go
Happiness follows
We must be lovin' right It might be the way I adore you
Or the way that you hold me tight
I don't know the reason
But I'm believin'
We must be lovin' right All of our friends say
Love fades away with time
But I know they're wrong
'Cause they've never known
A love like yours and mine So if the whole world goes crazy
Let everyone else fuss and fight
When all's said and done
We'll be the lucky ones
We must be lovin' right
