Me Vs. The World

Halo Friendlies

Hey boys, hey girls
Hey anybody, who will listen to me?
In case you haven't noticed
It's just me against the world todayI fell out of the wrong side of the bed
And landed in the worst mood
'Cause the stupid alarm clock
Screaming at me from across the roomI'm trying to be nice, I'm trying to be reasonable
But it's oh so hard when I don't wanna be
If your looking for that nice girl from the day before
Don't bother she don't live here anymore'Cause it's me against the world, oh, what a stupid day
Yeah, it's me against the world, just stay out of my way
And in case you haven't noticed and in case you haven't heard
It's just me against the world and the world is winningYou should have let me stay in bed
I've got this pounding in my head
No, nothing's okay, won't you stay out of my face today?I'm slamming doors, I'm slamming phones down
Watch out for this temper tantrum
Stay outta my way 'cause if you don't, you'll be scared awayI'm trying to be nice, I'm trying to be reasonable
But its oh, so hard when I don't wanna be
If your looking for that nice girl from the day before
Don't bother she don't live here anymore'Cause it's me against the world, oh, what a stupid day
Yeah, it's me against the world, just stay out of my way
And in case you haven't noticed and in case you haven't heard
It's just me against the world and the world is winningI'm gonna be impossible
I've gotta tell you I'm seeing red
I've gotta tell you I'm seeing redI've gotta tell you I'm seeing red
I'm gonna make you believe what I say
I'm gonna make you'Cause its me against the world, oh, what a stupid day
Yeah, it's me against the world, just stay out of my way
And in case you haven't noticed and in case you haven't heard
It's just me against the world, it's just me against the world
And the world is winning
