Things I Did When I Was Dead

[No Age](#)

Problems when I wanna see you everyone I knew
Uncle lied and I could die and I said somewhere new
Would you like the things I saw and bring you too
I should tell me more I'd like to see me I know where
I wouldOoooooooooohI went down my war I shoots and I take everyone
Parties like my policy and I take where I'm some
Damaged like my every thoughts and when you talk I do
Things I did when I was dead and everyone loves youOoooooooooooh
