Tow the Line

Nick Drake

This day is the day that we rise or we fall
This night is night that we win or lose all
This time is the time that we wait for awhile
This year is the year that we wait with a smileIf you call, we will follow
If you show us we can tow the lineAnd now that you're here you can show me the way
And now that you're here we can try make it pay
And while you were gone it was hard, it was cold
While you were gone we were time, we were oldIf you call we will follow
If you show us we can tow the lineIf you call we will follow
If you show us we can tow the line
