

# So Lonely

## The Everly Brothers

Every time I see you walkin' down the street with my girl  
I get a funny feelin' when I see you out with my girl  
I get so lonely  
I get so lonely without you  
I get lonely for you

See you every day and now I realize you're not mine  
I know I just can't think of anything to do with my time  
Coz I'm so lonely  
I get so lonely without you

Waiting, waiting yes I'm waiting  
Waiting, waiting yes I'm waiting  
Waiting, waiting yes I'm waiting  
For you're lovin'  
To keep me satisfied forever  
To keep me satisfied forever

If you get tired of loving him come right on back to my arms  
And then we'll start anew and know that we never will part  
Coz I'm so lonely  
I get so lonely without you  
I get lonely for you
