Wide Boy

Nik Kershaw

He made a record
it made him famous
yes
it made him a star.
The life and soul of the party
he rocks
he shocksYou never know where you are with him.He got no sense but he got moneyHe got no sense but he got overnight successExceed excess
exceed excess.
He no big deal
he's just a wide boyHe no big deal
he's just an ordinary guyOh me
oh my
oh me
oh my.He made a movie
he played the driver of a big yellow car.
He is super fab and groovy
he struts and he crowsYou never know where you are with him.
He got no sense but he got money
. . .And with your symmetry teeth and your california tan
I'm here to tell you that you ain't no supermanyou're just a wide boy.
