

# When My Devil Rises

## MAN WITH A MISSION

Massive corruption let it begin  
And hell with this air  
Time flies and it's making me choke Shut your mind down what does it take  
Confess your wrong conscience  
Justice What a big jokeã •ã•ã•ã, Æã•ÿè€ é•”ã•®å°ã•Æéÿã•ã•

Bleed it all out and find my devil  
I will take you I will break you  
See them go down can't stop the rebel  
Bleed it all out just like the devil  
I will break you  
I will when the devils rise  
Transform The double inside can't wait  
To take place and you'll never know  
when it explodes Once more the hollow parade is missing the blade today
