Get It Right

Teedra Moses

Get It Right Teedra MosesRather have a king than a boss
Rather have a good man than a daddy
Rather die shotgun in an old school
With a cool dude than a rich dude acting badly
Gladly, cause I ain't the average kind
Rather be your queen than your bad bitch
Cause inside a queen you gon' find a bad bitch
Fact is, a love like mine you'll never find
I need you to understand
I need you to comprehendThere'll be no heartbreak, late nights
All alone waiting for you, tears dry
No I ain't on that no more, ain't on that no more
If you really want it I mean really really want it
Then you gon' have to get it right
And I won't make it hard
You lead and I'll follow boy
But you gotta be following God
(You got to follow)
I gotta see the God in you
(If you want me to follow)
Gotta feel the need in me
(You've got to for me)
You gotta make em want you to
Gotta make you understand
Gotta make you comprehendGet it right, get it right
Get it right, you gotta get it right
Get it right, baby get it right
Get it right, need you to get it right
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
All I really wanna do is love you
(Give me your heart)
All I, want to, love you
