Carne Voodoo

Rocket from the Crypt

Bring me the head, yeah
Don't bring the heart, no
Bring me the head, yeah
Don't bring the eyes, no
Full stream ahead, yeah
Don't bring the eyes, noWine turns into acid
Water to bloodBring me the head, yeah
Don't bring the eyes, no
Full stream ahead, yeah
Don't bring the heart, noWine turns into acid
Water to blood
Wine turns into acid
Water to blood
Wine turns into acid
Water to blood
