

Certain Things (feat. Chasing Grace)

James Arthur

(Verse)

Something about you

It's like an addiction

Hit me with your best shot honey(Verse)

I've got no reason to doubt you

'Cause certain things hurt

And you're my only virtueAnd I'm virtually yours(Pre-Chorus)

And you keep coming back, coming back again

Keep running round, running round, running round my head(Chorus)

And there's certain things that I adore

And there's certain things that I ignore

But I'm certain that I'm yours

Certain that I'm yours

Certain that I'm yours(Verse)

There's something about you

It's when you get angry

You have me at your mercy(Verse)

And you're like a shoulder to turn to

Cause certain things burn just when we're hanging on for dear life

We held on so tight(Pre-Chorus)

And you keep coming back, coming back again

Keep running round, running round, running round my head(Chorus x2)

And there's certain things that I adore

And there's certain things that I ignore

But I'm certain that I'm yours

Certain that I'm yours

Certain that I'm yoursI adore you... I adore you...

Certain that I'm yours
