

Joy Is In Our Hearts

[Sara Groves](#)

We were pressed on every side
Full of fear and troubled thoughts
For good reason we carried heavy hearts
It is good to come together
In our friendship to remember
All the reasons hope is in our hearts
Hallelujah, Hallelujah
Christ our joy and strength
Hallelujah, Hallelujah
Christ our joy and strength
Now with patience in our suffering
Perseverance in our prayers
With good reason this hope is in our hearts
Hallelujah, Hallelujah

Christ our joy and strength
Hallelujah, Hallelujah
Christ our joy and strength
Oh, we saw the face of angels
Many good things we'll secured
For good reason, this joy is in our hearts
Hallelujah, Hallelujah
Christ our joy and strength
Hallelujah, Hallelujah
Christ our joy and strength
Hallelujah, Hallelujah
Christ our joy and strength
Hallelujah, Hallelujah
Christ our joy and strength
For good reason, joy is in our hearts
