

# Life Gets Away

Clint Black

We're tied to our memories  
They won't let us stray  
We're not gonna lose ones  
We made yesterday We look to our future  
And we make all our plans  
As if we control what  
Is out of our hands The world keeps on turning  
I'm learning to see  
Right where I am is  
Where I have to be You can't count the pages  
All ages hear the call  
No matter how hard we try  
Life gets away from us all We start getting older  
The moment we live  
Look over your shoulder  
There's hindsight to give Come good days and bad days  
The sun's gonna rise  
So why look beyond what's  
In front of your eyes The world keeps on turning  
I'm learning to see  
Right where I am is  
Where I have to be You can't count the pages  
All ages hear the call  
No matter how hard we try  
Life gets away from us all No matter how hard we try  
Life gets away from us all
