

# Market Fresh

## Broken Social Scene

Market fresh stand by me  
Where will it ever land  
Scar and stains, Emily  
Turn our little crab I could have meant it if you let me  
I could have meant it if you let me  
I could have meant it if you let me Market fresh stand by me  
Where will it ever land  
Scar and stains, Emily  
Turn our little crab I could have meant it if you let me
