Nailed To The Gun

Fight

(Halford)Sig sauer, victim of a systems non-control
Devour, striking terror into every soulCommunication breakdown onto self destruction
Schizophrenic people breeding hate
Pessimistic thinking from a failed connection
Survival comes when we annihilateNailed to the gun
Nailed to the gun
Nailed to the gun
Nailed to the gun
Paranoia, termination sickness zeros good
Blind power, executing humans in cold bloodDegenerating children with an opiate bullet
Poison flows from words out on the street
Trapped inside the home that has become the prison
Dissin' everybody that we meetNailed to the gun
Nailed to the gun
Nailed to the gun
Nailed to the gunLocked and loaded, governmental loss to anarchy
Weapon goaded, magnum is gagging libertyCultural collision in an endless frenzy
Numbing minds with threats of violence
Hopeless to the dream of any decent future
Running on sheer fear and ignorance
Nailed to the gun
Nailed to the gun
Nailed to the gun
Nailed to the gun
