

# Nailed To The Gun

## Fight

(Halford)Sig sauer, victim of a systems non-control  
Devour, striking terror into every soulCommunication breakdown onto self destruction  
Schizophrenic people breeding hate  
Pessimistic thinking from a failed connection  
Survival comes when we annihilateNailed to the gun  
Nailed to the gun  
Nailed to the gun  
Nailed to the gun  
Paranoia, termination sickness zeros good  
Blind power, executing humans in cold bloodDegenerating children with an opiate bullet  
Poison flows from words out on the street  
Trapped inside the home that has become the prison  
Dissin' everybody that we meetNailed to the gun  
Nailed to the gun  
Nailed to the gun  
Nailed to the gunLocked and loaded, governmental loss to anarchy  
Weapon goaded, magnum is gagging libertyCultural collision in an endless frenzy  
Numbing minds with threats of violence  
Hopeless to the dream of any decent future  
Running on sheer fear and ignorance  
Nailed to the gun  
Nailed to the gun  
Nailed to the gun  
Nailed to the gun
