

# B4 the Night Is Thru

Jesse Boykins III

B4 the night is thru, I will walk to you  
you will be the one, and I will be your drum  
B4 the night is thru, I will walk to you  
you will be the one, and I will be your drumAs innocent as a smile my way  
no idea I'd be in heaven today  
lips that say so much without a word  
her look is timeless, I'm such a nerd  
I'm talking to myself working up the nerve  
to stay in arms length so I could be heard  
I'm talking to myself working up the nerve  
to stand in arms length so I could be heardAs if you didn't seem to notice me  
pressures building feel my body beat  
my lips cant seem to find a single curve  
her look is timeless, I'm such a nerd  
I'm talking to myself working up the nerve  
to stay in arms length so I could be heard  
I'm talking to myself working up the nerve  
to stand in arms length so I could be heard
