So Special

Sa-Ra Creative Partners

Yeah baby
You know there's nothing
In this world that I wouldn't do for you
Anything you want
Anything you need
And even though I'm away sometimes
And I can't hold you like you want me to
Your love is so special to me
I love you
Winter, spring, summer, fall
These four seasons tell it all
Each has a special way
Of sayin' my love is here to stay
How else can I explain
Than to start with april's rain
Spring is when I first knew
That I fell in love with you, oh yeah
Flowers blooming, bright sunshine
Rainbows shooting across the sky
The sweet fragrance in the air
Reminds me that you care
Your love baby
(your love's so special)
So special to me
Sisqo won't you help me sing it
Sisqo won't you help me sing it
(yes I will)
White sands and the island breeze
Down on a private beach
Morning cruises on the sea
With you next to me
Oh yeah
Summertime said it seems so dear
When fall comes it disappears
Early nights and later days
You will never go away
Holidays and special times
I would always sit and cry, yes I would
Memories would break me down

When you are not around

Your love
Your love's so special
(somebody here help me sing it)
So special to me
Like the sands by the sea
Where as to a melody
Your love
Yes I know it
Baby girl don't you know
That my love will always show
Always, said always
Woody take it
And every time that I close my eyes
(alright)
Will you stay right by my side
(said yes I will)
Your love's so strong that I just can't hide
(tell me)
Tell me can you feel me now
(oh right now)
All I see is you and me
(you and me)
Baby I'm gonna always be
(I will always be)
Yours until the end of time
So say that you'll be mine
And no matter what they say
My love won't fade away, oh no
Girl your love it feels so right
Gonna love you all my life, yeah
Said I know(I know)
That I (that I)
(girl this is how I will live my life)
Said always (always)
Always yeah (always yeah)
(I'm willing to make that sacrafice)
Said your love
(your love)
Said your love yeah
(oh your love)
Your love
Your love
So special to me
