

Do Nothin' Till You Hear from Me

[Jimmy Witherspoon](#)

Do nothin' till you hear from me
Pay no attention to what's said
Why people tear the seam of anyone's dream is over my head
Do nothin' till you hear from me
At least consider our romance
If you should take the word of others you've heard
Don't you know, I haven't a chance
True I've been seen with somebody new
But does that mean that I'm been untrue?
When we're apart the words in my heart reveal how I feel about you
Some kiss may cloud my memory
And others arms may hold a thrill
But please do nothin' till you hear from me
And baby you never will
