

# Ugly Primadonna

## Datarock

He's the ugly primadonna,  
I don't, he's gone, and I wanna,  
Cause even though I know he was beast,  
My secret lover has never ceased, He's the ugly primadonna, (Has he gone, has he gone)  
I don't, he's gone, and I wanna, (Carry on, Carry on)  
Cause even though I know you think its wrong,  
We sorta used to get it on and on and on, (ET said B)  
On and on and on (D-O-O-O-D)  
And he was talking to me, Yeah (And he was talking to me) I know that some of you can't understand,  
But ET used to be my man,  
Cause even though I know you think its wrong,  
We sorta used to get it on and on and on,  
ET said B (ET said B)  
D-O-O-O-D (D-O-O-O-D)  
And he was talking to me, Yeah (And he was talking to me) He's the ugly primadonna,  
I don't, he's gone, and I wanna,  
Cause even though I know he was beast,  
My secret lover has never ceased,
