To Know Him Is to Love Him

[Martina McBride](#)

To know, know, know him is to love, love, love him
Just to see that smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I doI'll be good to him, I'll bring joy to him
Everyone says there'll come a day, when I'll walk alongside of him
To know, know, know him is to love, love, love him
And I do, I do, I doWhy can't he see, how blind can he be
Someday he'll see that he was meant for meTo know, know, know him is to love, love, love him
Just to see that smile, makes my life worthwhile
To know, know, know him is to love, love, love him
And I do, I do, I do
