These girls love the boy

These girls love the boy, they love the boy

These girls love the boy[Verse 1:]

I come with a plan

Japanese pants, stacking bands on bands

Young nigga but I do more

Do it like this, they just can't ignore

Girls call me the boy

I been winnin', but I need a lot more

If you was in my position, wouldn't know what to do

All that shit you gotta endure

She Roll wit me cause I'm gettin it

If it wasn't rap, it would be the same story[Hook x2:]

[Verse 2:]

These girls love the boy, these girls know she gone go for sure

We be out on tour, spittin' that flow, gettin' that dough for sure

I ain't even with all that talkin', I just want the dome

Nigga we go hard, girl tell your squad come out to the show

Shawty, what's the deal? What's the plot? I'mma be up in the spot

I'mma pull up in a 'Rari, up in the party, shirt off when it get hot

What you think all these girls on the planet for?

Really ain't got no game

It's that all these girls understand my story[Hook x2:]

[Verse 3:]

She a Goer, and the drinks is poured up  
Never been to college, if I did, I would be a sophomore  
She gone go home sore, beat it up, had it on the floor  
They gone wife you up, I'mma show you a real nigga to the core  
These girls love the boy and I'm about to be a man now

They fuckin' with the boy and I'm fuckin' with 'em too[Hook x2:]
