Cloud (Plastic Plates Remix)

Sia

While away the hour
Into something new
Throw away the flower
They make you feel blueThrowing stones at stranger
Waiting for the fight
Throwing stones at birds who
Struggle to take flightI am a dark cloud
Swelling with rain
I am a dark cloud
Swelling with rainGet it out your system
Get it out of you
Send them home with blisters
Send them home with truthSend away the doubter
Blind them with your hoof
Try to save the doubters
Try to sell the newI am a dark cloud
Swelling with rain
I am a dark cloud
Swelling with rainI am a dark cloud
Swelling with rain
I am a dark cloud
Swelling with rainI am a dark cloud
Swelling with rain
I am a dark cloud
Swelling with rain
