

Brother Like You (OST Step Up 3-D)

[Kaye Styles](#)

[Chorus]

What's a man supposed to be without a brother like you

I'm a survivor but now i`m missing you[Verse]

It's like sixteen years ago

That's when i met you

Bullshit in the house

Man this all that we've been through

You was like a familiar brother to me

When we stepped up in the club you would get it for free

Yea ??? Air Force like Jordan

Mad skills, fair play just ballin'

Times you spent, big times I can't forget

Doe sadist you.. It's the man I regret[Chorus]

What's a man supposed to be without a brother like you

I'm a survivor but now i'm missing you[Verse]

He was a good guy.. He was like good felas

In the hard times you were the only one there

Back in the days it was me and you, me and you, me and you

We used to hose to the lake in the summer time

We used to go to the GYM just to spent some time

And in the car man We used to spit some rhymes

Just like Flip Mo'
