

# When the Welfare Turns Its Back On You

[Albert Collins](#)

Now, what you gonna do  
When the welfare turn it's back on you?  
Now what you gonna do  
When the welfare turn it's back on you? Now, you be standin' there stranded  
There's ain't a thing that you can do Now you look all through your house  
Yes, you can't find a piece of bread  
Now you look all through your house  
Yeah, you can't find a piece of bread Sometime you begin to wonder  
If you be better off, better off dead You go down to the welfare  
Give 'em one, two report  
Something they sellin' you  
Will surely get your goat If you tell 'em you sick  
You better have a bad cough  
'Cause if you don't  
They be ready to throw you off What you gonna do  
When the welfare turns it's back on you?  
You be standin' out stranded  
There ain't a thing, there ain't a thing you There ain't a thing  
That you can do
