

Heartshine (Live Radio Broadcast)

Mother Love Bone

I waste away my tears
Cause I can't cry no more
No more no less
I said, my brothers drowning
Like a star, baby, like a slower suicide,
Me I gave mine away.[Chorus]
I give to you my heartshine
I give to you my heartshine
I give to you my heartshine only for you A sad hello to death
I'm a stubborn goat on trial:
No more no less.
I said time will tell
If love is gonna have the strength to push it
The strength to push my pain away. I give to you my heartshine
I give to you my heartshine
