

# Acapella

## Jose Am & Jose Amor

I gotta go

I gotta go

Acapella-a

I gotta go acapella, acapella, a-a-a-a-a-a-acapella

Your tempo keeps changin' on me

We could never keep the beat

Your not the same-same guy

Who swept me off my feet

We're way-way pass the fade

We dreamt it out too long

The-the-the wait is over

But the show must go on

Oh Oh Oh Oh Oh

I feel like a million bucks

Oh Oh Oh Oh Oh

Cause' I don't give a...

Spotlight through the door

A-acapella

Solo, I'm a star

A-acapella

Rock it on my own

A-acapella

Oh-Oh-Oh It's my show

I gotta go acapella, acapella, acapella-a

I gotta go acapella, acapella, a-a-a-a-a-a-acapella

This aint no rocket science

Don't need to complicate

When the L-L-Lights go out

You turn to exit stage

It's my time to shine

It feels so good to be free

Can do whatever I want

And I'm just doin me

Oh Oh Oh Oh Oh

I feel like a million bucks

Oh Oh Oh Oh Oh

Cause' I don't give a...

Spotlight through the door

A-acapella  
Solo, I'm a star  
A-acapella  
Rock it on my own  
A-acapella  
Oh-Oh-Oh It's my show  
I gotta go acapella, acapella, acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella  
Aca-capella Aca-capella  
Oh Oh Oh Oh Oh  
Aca-capella  
Oh Oh Oh Oh Oh  
Aca-Cause I don't give a ...  
Spotlight through the door  
Solo, I'm a star  
Rock it on my own  
Oh-Oh-Oh It's my show  
Spotlight through the door  
A-acapella  
Solo, I'm a star  
A-acapella  
Rock it on my own  
A-acapella  
Oh-Oh-Oh It's my show  
I gotta go acapella, acapella, acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella
