It's Alright

Madison Avenue

It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n'
It's alright, if you wanna do me
It's alright, it's alright, it's alright
Do you have a specialty
Something a little cruel you'd like to do to me?
I don't even know your name
And I'll probably never see you again
It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n'
It's alright, if you wanna do me

It's alright, it's alright, it's alright
Tell me something you like
'Cause tonight is the night
Leave your morals on the shelf
Would you like to watch me do myself?
It's alright, it's alright, it's alright
It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n
It's alright, if you wanna do me
It's alright, it's alright, it's alright
