What's Goin' On

Jade

Mother, mother
There's too many of you crying
Brother, brother, brother
There's far too many of you dying
You know we've got to find a way
To bring some lovin' here todayFather, father
We don't need to escalate
War is not the answer
For only love, love can conquer hate
You know we've got to find a way
To bring some lovin' here todayPicket lines and picket signs
Don't punish me with brutality
Talk to me, so you can see
What's going on, hey yeah yeah yeah
What's going on
I wanna know what's going onHey hey yeah yeah
Mother, mother, mother,
Everybody says that we're wrong, mmm
Oh, but who are they to judge us
Simply because our hair is long
You know we've got to find a way
To bring some loving here todayPicket lines and picket signs
Don't punish me with brutality
Talk to me
So you can see
What's going on
