

# Do What I Can

Robert Francis

Oh lady don't you worry  
I'm just in a flurry now  
But the wind is picking up now  
And the new newspapers all over town

And I say what's on my mind  
From here on out  
And I am fine

Okay yeah  
Sure Jim is a friend of mine  
But he is running out of time

I'll do what I can for you here  
I'll do what I can for you here

Dad whatever you have  
I'm sure it's living in me  
Cause I'm convinced  
That all of this has been the best for me

And I say what's on my mind  
Most of the time  
And I am fine

Okay yeah  
I could barely walk a mile  
But I am running now  
Running now

I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can

I know you've thought  
About everything you could have done  
I know your home  
Is on fire with the things you've done wrong  
Cause I live there too

Yeah I live there too

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can
