

# C'est La Vie

## Ace of Base

I am as young as I'm feeling  
I'm always 21, I am always 21  
C'est la vie, c'est la vie, c'est la vie  
I'm always 21 at heart, love, listen to me I need somebody to stay beside me  
'Cause I've got a hungry heart  
Baby, with or without love  
I'm gonna get a man who can fulfill my dreams  
On the top of the world I don't wanna be alone  
No, no, no, not me C'est la vie, c'est la vie, on the road tonight  
Life is good for you, oh, when you're 21  
C'est la vie, c'est la vie, on my own tonight  
Love will come to you, you're always 21 Love is a liar but I'm a trier, give it another go  
I know, you have another, yes I have seen her  
I wonder who she is  
Does she kiss you the way that I used to kiss you  
I bet she wonders who I am C'est la vie, c'est la vie, on the road tonight  
Life is good for you, oh, when you're 21  
C'est la vie, c'est la vie, on my own tonight  
Love will come to you, you're always 21  
C'est la vie, yeah I get older everyday but I will fight it till the end  
There's a man for me to have and to hold  
Easy come and easy go, once bitten but not for long  
And as young as I'm feeling, yes I am C'est la vie, c'est la vie, on the road tonight  
Love will come to you, you're always 21  
C'est la vie, c'est la vie, on the road tonight  
Life is good for you, oh, when you're 21  
You are always 21, always 21  
Life is good for you, oh, when you're 21  
Whenever you're always 21
