Holy One

Sonicflood

Lord I stand in awe of You 'cause everything I know
Fails to compare to You and You alone
Taken by Your majesty I am overcome
By the power of what Your hand has done, yeahI could never quite express the beauty of Your holiness
You're the Holy One
I could never quite define the way You've changed this heart of mine
You're the Holy One, You're the Holy One, You're the Holy OneThere's no counting all the ways that You have been so true
Faithful to the end You're faithful through and through
You are more than wonderful You are everything
You mean more than love more than life to me, yeahI could never quite express the beauty of Your holiness
You're the Holy One, yeah
I could never quite define the way You've changed this heart of mine
You're the Holy One, yeah You're the Holy One, You're the Holy OneHoly, You are Lord over all the earth
Let us see Your glory
I will lift You up for You loved me first
You are the holy, Holy One, Holy One, Holy OneI could never quite express the beauty of Your holiness
You're the Holy One, yeah
I could never quite define the way You've changed this heart of mine
You're the Holy One, yeahI could never quite express the beauty of Your holiness
You're the Holy One, yeah
I could never quite define the way You've changed this heart of mine
You're the Holy One, yeah, You're the Holy One, You're the Holy OneYou are so holy, we give You gloryNa na na
