

# Make Up Your Mind

## The Bar and Grill Singers

Tell me what I must do, please. Your Honor  
I only want you to rule, please. Your Honor  
It's yes or no ... Gotta be this or that!

If you ain't wrong, you're right  
If it ain't black, it's white  
If you ain't sure, you might  
Gotta be this or that!

If it ain't in, it's out  
If it ain't clear, there's doubt  
If you can't hear, we'll shout  
Gotta be this or that!

What can it be if it ain't free of prejudicial error?  
Can't you see it's gotta be one way of the other?

Tell me what I must do  
Just to get you to rule  
Time doesn't stop for you  
Gotta be this or that!

Granted ... Denied .. Yes, no .. Say so!  
You say you will and then you won't  
You say you'll rule and then you don't  
You're undecided now, so what are you gonna do?

First you say you do and then you don't  
And then you say you will and then you won't  
You're undecided now, so what are you gonna do?

You promised to decide a year ago  
And then after this delay you still don't know  
You're undecided now, so what are you gonna do?

You've been sittin' on the fence  
And it doesn't make much sense  
"Cause you keep us in suspense without a ruling  
Your job is to decide, but you're lettin' this one ride

Our complaint is justified and you know it!

If you know the facts and if you find  
The precedent is there make up your mind  
You're undecided now, so what are you gonna do?  
Ya hem and ya haw ... and ya ...

First you say you do and then you don't  
(no, you don't)  
And then you say you will and then you don't  
(no, you won't)  
You're undecided now, so what are you gonna do?  
Well, what's it gonna be?

You promised to decide a year ago (year ago)  
And after this delay you still don't know  
(don't you know)  
You're undecided now, so what are you gonna do?

Yes! No! Say! So!  
Ya hem and ya haw ... and ya ...  
You're so indecisive!

If you know the facts and if you find  
The precedent is there make up your mind  
You're indecisive now, so what are you gonna do?

You say it's yes and then it's no  
You say you will and then you won't  
You're undecided now  
So what are you gonna do?
