Champagne and Reefer

The Devil Makes Three

Bring me champagne when I'm thirsty
Bring me reefer when I want to get high
Yeah bring me champagne when I'm thirsty
Reefer when I want to get high
Yeah you know when I'm lonely
Bring my lady by my sideYeah there should be no law
On people that want to smoke a little dop
No there should be no law
On people that want to smoke a little dope
Yeah it's good for your head
And your body don't you knowEverytime I get high I lay my head down on my baby's breast
Yeah I lay down be quiet and tryin' to take my rest
You know she hold me and kiss me, she says
You're the man I love the bestI'm gonna get high this morning just as sure as you know my name
I'm gonna get high this morning and it's going to be a cryin' shame
I'm gonna stick with my reefer, ain't messin' round with no cocaine
I'm gonna stick with my reefer, ain't messin' round with no cocaine
