Mystery Train (Acoustic Studio Sessions 1990)

Stray Cats

Train arrived sixteen coaches long
Train arrived sixteen coaches longWell, that long black train
It's got my baby you knowTrain, train comin' around the bend
Train, train comin' around the bendTrain, train comin' around the bend
Train, train comin' around the bendWell, it took my baby
Oh, but it never will againTrain, train comin' around the bend
Train, train comin' around the bendWell, it took my baby
Oh, but it never will again
