

Breaking My Heart Again

Aqualung

Need to know
Don't wanna know
Already know
I've seen the signs
I watch you as you pull yourself away from me.

Can't believe
I wanna believe
How can I believe?
You're making me doubt
I thought I knew you
I don't even know myself.

I'm losing faith
I'm losing all faith

You're breaking my heart
Breaking my heart
You're breaking my heart again
Don't ask me to start
Ask me to start
Don't ask me to start again
Start again

I wanna fight
Afraid to fight
Why don't I fight?
And make you see
I hold my breath
And disappear inside myself

I'm losing strength
I'm losing all strength

You're breaking my heart
Breaking my heart
You're breaking my heart again
Don't ask me to start
Ask me to start
Don't ask me to start again

Start again

Oh, you're breaking my heart again

Don't ask me to start

Ask me to start

Just don't ask me to start again

Start again

No

Oh, no, no

I'm losing you

I'm losing, oh, you
