

Needle Through A Bug

Alexa Vega & Terrance Zdunich

A needle into a bug
A needle into a bug
A needle, grave robber
Who, who's there? Stay back
Um, do you have my cure?
Kid, is that you?
I'm here to earn my cure
Your cure, is that what this is about?
Sorry, that fucking Amber cleaned me out
But maybe later I'll hook you up later
Just help me down
The drug?
Yeah, the drug
Yeah
Your cure, it's
The drug
Help me down
Help me, I'll score some
Shed some
Kid, I'm out
Some
I told you
Light on
That's the situ
The situation
The situation
A needle into a bug
A needle into a bug
A needle into a bug
A needle into a bug
How 'bout her, yeah?
She's right beside you?
She's right beside me so?
No, I mean her zytrate, no
I'm out of zytrate
It's like a night light
Oh, it's like a night light
You're beautiful, it's easy
You don't mean? Yeah
For me to?
So easy
I don't think, don't think
That I could just smack it
I guess that she
She won't, won't feel it
You've got to smack it
Into her skull, inside her skull
A needle into a bug
A needle into a bug
A needle into a bug

A needle into a bug
