I Don't Know You

Kate Havnevik

I, I know the stars
Falling from the sky
Falling for you

And I, I know the wind
Combing your hair
Caressing your chin

But I don't know you
Will you show me
Who you are?
'Cause I want to know you
So please show me
How to know you

And I, I've seen the waves
Inside your heart
Turning you upside down

And I, I heard the dreams
You have at night
Giving you trouble

But I don't know you
Will you show me
Who you are?
'Cause I want to know you
So please show me
How I know you
