

# She's Alright

## Cheap Trick

She live right across the way  
Come by just the other day  
No call, but that's okay  
She wants me to see those  
Big eyes that been saying  
She makes love like a hurricane  
But she left just as fast as I came  
But it's alright with me Ooh, Ooh She moves like no one can  
With one kiss she'll devour a man  
And I'll do whatever I can  
But it's so out of control  
She got more than anyone else  
She don't need nobody's help  
Up and down on herself  
She comes and she goes  
Alright, she's alright  
she's alright with me, yeah  
It's alright, she's all night  
She's alright with me yeah  
Alright, she's all night  
She's alright with me yeah  
It's alright, she's alright  
She's alright with me Alright!  
She's alright, she's alright, yeah Well it's just like every day  
A girl like her comes your way  
And I don't know what to say  
But I got to let her know  
It's not such a terrible thing  
She don't want no wedding ring  
But I got plans to do my thing  
But I can't let it go  
Alright, she's alright  
She's alright with me, yeah  
It's alright, she's all night  
She's alright with me, yeah  
Alright, she's alright  
She's alright with me yeah  
It's alright, she's all night  
She's alright with me She's alright with me, yeah

She's alright with me, yeahIt's alright, she's all night

She's alright with me, yeah

It's alright with me

Alright with me, yeah

Alright with me

Alright with me, yeah

Alright with me, right!
