

Come Undone (Remix 2007 - DJ Lex) Zouk Version

Duran Duran

My immaculate dream made of breath and skin
I've been waiting for you
Signed, with a home tattoo
"Happy birthday to you" was created for you Can't ever keep from falling apart at the seams
Can I believe you're taking my heart to pieces Ahh, it'll take a little time
Might take a little crime to come undone
Now we'll try to stay blind to the hope and fear outside
Hey child, stay wilder than the wind and blow me in to cry Who do you need?
Who do you love?
When you come undone Who do you need?
Who do you love?
When you come undone
Words, playing me deja vu
Like a radio tune I swear I've heard before
Chill, is it something real?
Or the magic I'm feeding off your fingers Can't ever keep from falling apart at the seams
Can I believe you're taking my heart to pieces Lost, in a snow filled sky
We'll make it alright to come undone
Now we'll try to stay blind to the hope and fear outside
Hey child, stay wilder than the wind and blow me in to cry Who do you need?
Who do you love?
When you come undone Who do you need?
Who do you love?
When you come undone
Who do you need?
Who do you love?
When you come undone Can't ever keep from falling apart
Who do you need?
Who do you love?
When you come undone
Can't ever keep from falling apart
Who do you need?
Who do you love?
When you come undone
Can't ever keep from falling apart
Who do you need?
Who do you love?
When you come undone
