

# Perfect Criminal

## Die Toten Hosen

I woke up today  
On a hospital bed  
And the white coats say  
"You were next to dead".But you're the perfect criminal  
And so we gave you life.  
You're the perfect criminal  
And we need the perfect crime.What you did before,  
Believe that we don't care.  
Your country needs you now  
And this is why you're here.'Cause you're the perfect criminal  
And there'll be a time  
For the perfect criminal  
To commit the perfect crime.Say your lines like we taught you to  
And you'll be just fine in the interview.  
Help the minister and understand  
That he saved your life, he's your only friend.You're the perfect criminal  
And so we gave you life.  
You're the perfect criminal  
And we need the perfect crime.Yes, you're the perfect criminal  
And there'll be a time  
For the perfect criminal  
To commit the perfect crime!
